**Short Excerpts
Taken from Pope Francis Speaks To Families**

Welcome Jesus into Your Home

The Son of God chose to be born into a human family, in an obscure town on the periphery of the Roman Empire. Although the Gospels tell us little about the first thirty years of his life, we can imagine that Jesus led a very "normal" family life. He was raised in an atmosphere of religious devotion, he learned from the words and example of Mary and Joseph, and he grew in wisdom, age, and grace (cf. Luke 2:52). In imitation of the Holy Family, every Christian family must make a place for Jesus in its home. For it is through the love of such "normal" families that God's Son quietly comes to dwell among us, bringing salvation to our world. . .

And this is the great mission of the family: to make room for Jesus who is coming, to welcome Jesus in the family, in each member: children, husband, wife, grandparents...Jesus is there. Welcome him there, in order that he grow spiritually in the family.

This excerpt was taken from the book, "Pope Francis Speaks to Families" by the Word Among Us.
